

Dickinson Township Residents:

The Park and Recreation Committee for Dickinson Township currently has three (3) openings for volunteer committee members.

Some of the Park and Recreation Committee's goals and objectives are to assess and recommend to the Board of Supervisors adjustments to the parks and recreation needs within the township, provide year round activities for youth and adults, increase open space and park land acreage, and implement a Park Improvement Plan.

The Committee's activities range from Chili Cook-offs to Golf Outings. If you enjoy public outreach, participating in events, and being a member of a team focused on enhancing the parks and recreation sites within the township, please feel free to attend one of our meetings held on the 4th Monday of each month at 6PM at the Dickinson Township Building. If you would like to be considered for one of our vacancies, please submit your resume to the Dickinson Township manager for consideration at our next meeting. You may e-mail your resume to Ron Reeder –dickinsontwpom@comcast.net.

If you have any questions regarding the Committee please contact the township building at 486-7424.

Sincerely,

2010 Parks and Recreation Committee
